The following topics may arise at today's meeting: NSDD-97 Steering Group. Bob Helm (NSC Staff) informed			
NSDD-97 Steering Group Rob Halm (NSC State) include the control of the control			
me that Clark is inclined to keep the existing structure of the Steering Group (Clark, OMB, OSTP and the Executive			
/ Agent o	f National Communication	UMB, USIP and the Execusion	cutive 31 no les
Agent of National Communications Service) and rejects CIA's and others' pleas to be on Steering Group. Clark			
picicis that the Nos be the forum in which our concerns of Mill 1			
are worked out; the Steering Group would only intervene on issues for which no consensus could be achieved. If this is not okay, you may wish to contact Holm through
